

# mirror mirror

Platters of platitudes  
greased up gratitudes  
affectless attitudes

edit *et* edify me  
self-bedizened babblemouth  
accustomed to the costume  
you seamed so long ago

i see you mirror mirror of me  
listen: from one fraud to the next  
boasting the build of your  
nest, like all nests, gathered  
from sticks and twigs  
and other shiny sentiments  
within reach  
within reach  
to call your own  
to call your own  
own own own

###
