## Omega Center & Bingo

Brothers we are in desperate need of assistance at the Omega Center in various areas and capacities. Brothers, the Upsilon Omega Chapter has roughly 150 – 200 brothers throughout the St. Louis Metro area and ANY Brother can work Bingo, regardless of your financial status. To volunteer, you must sign-up and provide your SSN for a background check. The more Brothers volunteer to work, the fewer Thursdays you work. Brothers, we've persevered by acquiring the Omega Center, let's now stand strong and do what's needed for Omega and help support Bingo. If you truly believe in that promise you gave, then let's do what's needs to be done to uplift the Omega Center.

We have embarked on a potential fiduciary gold mine in Bingo; we need volunteers to help out before, during, and after the Bingo event. Brothers, Bingo has the potential of providing a solid financial status for the Upsilon Omega Chapter with great potentials of possibly lowering dues. We need at least 40 or more brothers to provide adequate assistance during bingo, with this amount each brother could volunteer one night a month.

Brothers I hope this past Holiday Season kept you all in good faith and peace, if there is any pertinent information that you deem beneficial to the brothers please feel free to forward to me.

The Omega Squires have placed a Canned Good container at the Omega Center adjacent to the coat room for collections of canned goods. Brothers when you visit the Center please bring a canned good for donation.

## Omega Center House Keeping

*Brothers, we are in the process of renovating the Center, as some of you are aware, but at the same time we are still in use of the facility, If you will, please help the Brotherhood by keeping the place clean as you utilize the areas designated for use. If you see trash or debris please pick it up; there is a trash receptacle no more than five feet from where you are in the house at all times. Do not leave items out of place if you borrowed an item; please replace it, and do not leave your personal trash or debris laying around, as this will help aid in our pest control.*

# Upsilon Omega Building Fund Pledges
