Omega Center & Bingo

Brothers we are in desperate need of assistance at the Omega Center in various areas and capacities. Brothers, the Upsilon Omega Chapter has roughly 150 – 200 brothers throughout the St. Louis Metro area and ANY Brother can work Bingo, regardless of your financial status. To volunteer, you must sign-up and provide your SSN for a background check. The more Brothers volunteer to work, the fewer Thursdays you work. Brothers, we've persevered by acquiring the Omega Center, let's now stand strong and do what's needed for Omega and help support Bingo. If you truly believe in that promise you gave, then let's do what's needs to be done to uplift the Omega Center.

Brothers please contact the Omega Center at 314-385-4100 to enlist your assistance in Bingo as well as assisting the continued operation on our great Center.

Brothers, this will be our interesting links section; if you have an interesting link or link to some valuable information please submit to me to be added to this section. No pornographic or illicit sites will be added to this section.

Fraternity Meeting

Second Friday of each month at the Omega Center.

You do not have to be financial to attend.

Financial Dues – 06/07

Brothers, at this time we now have the capability to accept monies for dues, tickets for events, and other fraternity transactions, through the use of your personal or business credit cards. Please contact the Chapter KRS; Bro. Eric Latham and KF; Bro. Eric Jones for more details.

Omega Center House Keeping

Brothers, we are in the process of renovating the Center, as some of you are aware, but at the same time we are still in use of the facility, If you will, please help the Brotherhood by keeping the place clean as you utilize the areas designated for use. If you see trash or debris please pick it up; there is a trash receptacle no more than five feet from where you are in the house at all times. Do not leave items out of place if you borrowed an item; please replace it, and do not leave your personal trash or debris laying around, as this will help aid in our pest control.
