Absent: Sally Cooper

Sheila Lohlein was present for Greenview Properties

Meeting called to order at 7:00pm

Homeowner Request:

- A letter from a homeowner was distributed and discussed. The issue was resolved.

Bids For Drain Clean Out

- The board is reviewing bids from various companies to clean out the drains in the center section of our community.

Roads

- The board is still working to get the roads repaired to our specifications. We will keep working on this until all problems are fixed.

Web Site:

- The web site is here. The address is: www.WoodsEdgeHomes.com

Snow Removal

- The board agreed that Licari did an admirable job this past snow storm.

Important Information Regarding Your Washer and Dryer

- Recently a homeowner had a small fire when a piece of paper caught under her dryer caught fire. **Please DO NOT LEAVE YOUR DRYER ON WHEN YOU ARE NOT HOME. Also, make sure that lint traps and ducts are cleaned regularly.**
- **Additionally, if you still have the original rubber hoses on your washer – they crack over time and can cause extensive damage by flooding your home. Please check and replace them with flexible steel hoses available at hardware and home stores.**

Clubhouse Rental:

- For the next couple of months, anyone interested in renting the clubhouse should please call Laurie Seiden at 669-5964.

Minutes respectfully submitted by Laurie Seiden
