(N/W corner Storke Tower, 24/7 peace prayer vigil)

**June 1-13, 2014, Greenbelt Park Maryland, Global Peace Walk Encampment**

# ***Global Peace Walk Council for a Spiritual United Nations***

The United Nations Charter was first signed in San Francisco on the 26<sup>th</sup> of June 1945, and ratified in New York City on October 24th promising to remove the scourge of war from the future generations and to increase the human population's general health and welfare.

***Because the United Nations has yet to accomplish these goals;***

The Global Peace Walk 2013-14 invites you to bring and support the best speakers you can think of, to come to the Tree of Peace on the University of California at Santa Barbara Campus to speak on camera about ideas to help the United Nations fulfill its spiritual purpose to remove the scourge of war from the future generations without fail, and information to address global health, education and welfare issues.
