Suddenly in hospital, Monday June 10, 2002 at the age of 66. Beloved husband of Patricia Mulhall. Dearly loved father of Rene (Gail). Loving grandfather of Chantal, Christine, Siobhan and Sian. Dear brother of Julie (George) from Toronto. Predeceased by his son Christopher Marc and daughter Judith Anne.

There is no mention of any Naval Service, but he had 3 UNTD summers; '53, '54, '55 and was Commissioned as an A/ORD SLT RCN(R) Sen 1 Jul '55, O-61924, attached to SCOTIAN. Promoted to ORD LT 1 Jul '57 and by Oct '65 was a LCDR attached to CARLETON.

It appears that his civil service career also included being Director, Canadian Patrol Frigate Program for Supply and Services Canada, starting in 1978, in the early stages of that project.

In his Obit is poignantly mentioned that he was predeceased by 2 of his 3 children. A 3rd child, his first-born, Rene Robert, died in 2012 in Ottawa, at the young age of 54.
