"Widow's Son In the Windshield" WHITE 6/25/07 31

19 INT. DESERTED BANK - DAY

19

Booth and Brennan move through the building warily,
accompanied by a DC BEAT COP --

START →

> DC BEAT COP

I've been the beat cop in this area
for three years. Check on it every
night. Door's always locked, never
a light, nothing.

BOOTH

No squatters?

> DC BEAT COP

Made 'em sturdy back in the day.
Solid doors, bars on the windows.

BRENNAN

This place is clean. No dust,
nothing.

> DC BEAT COP

Historical society is fighting to
keep it a historical site.

(then)

The warrant says we're looking for
bloodstains, butcher instruments,
human remains?

BOOTH

That's right.

> DC BEAT COP

You're not gonna find nothing like
that here.

Brennan is standing in front of a vault door --

BRENNAN

We should look in here.

~~BOOTH~~

~~Oh, God.~~

~~BRENNAN~~

~~Hermetically sealed, insect proof,
constant humidity, it's ideal.~~

BOOTH

How do we get in?

➤ DC BEAT COP

Tell you one thing, we ain't gonna be kicking in the door.

~~STOP~~ CUT FORWARD TO:

20

INT. DESERTED BANK - LATER

20

~~An FBI Safe-Cracker uses a TORCH to cut a crucial part of the lock away while the DC Beat Cop watches. Brennan and Booth stand back, waiting --~~

~~BOOTH~~

~~When I put your old man in jail you said you understood.~~

~~BRENNAN~~

~~Don't start again, Booth. We'll be together again as soon as I replace Zack.~~

~~BOOTH~~

~~How's that going by the way?~~

~~The Safe-Cracker turns off his torch, steps back, and strikes the lock with a HAMMER. It falls out.~~

~~He starts to pull the safe door open. Booth, Brennan, and the DC Cop have to help him swing the door.~~

~~It's dark in there. Booth and Brennan turn on their flashlights, revealing a plethora of masonic, neo-masonic, proto-masonic, and mythic-masonic stuff --~~

~~BOOTH (CONT'D)~~

~~(to Cop)~~

~~I'd appreciate it if you guys stood six, made sure we don't get locked in.~~

~~Both guys nod. Brennan and Booth enter the vault.~~

21

INT. DESERTED BANK / THE KEEP - CONTINUOUS

21

~~Brennan is fascinated by the contents; Booth is wary about danger and on the lookout for something bad --~~

~~BOOTH~~

~~Maybe you're mad at me, y'know, subconsciously?~~

~~BRENNAN~~

~~I don't believe in that.~~
