INFO

DRAG THE RIVER BEGAN IN 1996 WHEN CHAD PRICE HANDED THE MICROPHONE TO MILO FOR A YEAR AND ALL BECAME THE DESCENDENTS FOR THE 'EVERYTHING SUCKS' ALBUM AND TOUR. CHAD HAD SOME TUNES AND SO DID JON, WHO PUT HIS BAND, ARMCHAIR MARTIAN, ON HIATUS TO WORK OUT THE TUNES AT THE BLASTING ROOM STUDIO.

CHAD AND JON TRADE VOCALS AND PLAY GUITARS. THE REST OF THE LINE-UP HAS CHANGED A BIT SINCE THE SESSIONS TOOK ON A LIFE OF THEIR OWN AND YIELDED A FULL FIVE-PIECE BAND. NOW DRAG THE RIVER FEATURES ALL-BROTHER, KARL ALVAREZ ON STRING BASS, AND JON'S ARMCHAIR-BUD PAUL RUCKER ON DRUMS WITH ZACH BODDICKER ON PEDAL STEEL GUITAR.

DURING THE SESSIONS A BOOZIN' LOSIN' HARD LUCK COUNTRY ROCK TOOK SHAPE. THE TUNES RANGE FROM LOWDOWN LOVE-BURN CONFSSIONAL TO UP-TEMPO DRIVIN' TUNES AND EVEN OVERDRIVEN PSYCH-BLITZES A LA CRAZY HORSE.

THEY LEFT ON THEIR FIRST TOUR SPRING '00 AND ACTUALLY MADE IT BACK ALIVE. AN UPCOMING FALL TOUR IS SCHEDULED. HIDE YOUR BOTTLES OF THE GOOD STUFF.
