INFO

Bad Astronaut formed in the year 2000. The hail from Santa Barbara, CA and consist of Joey Cape (Lagwagon, Me First and the Gimie Gimie) on guitar and vocals, Marko 72 (Nerfherder, Swingin' Utters) on bass, and Derrick Plourde (Lagwagon) on drums. They have released a CDEP on Fat Wreck Chords and will soon be releasing their debut full length. Their self-professed mission: to test the boundaries of independent music.

Armchair Martian has released three full-length CD's (Cargo Records, My Records) and are from Fort Collins, CO. They consist of Jon Snodgrass (Armchair Martian) on guitar & vocals, Paul Rucker (Armchair Martian) on drums, and [your name here] (ex-Armchair Martian) on bass. Their self-professed mission:

This release consists of each band covering three of the other bands' songs and a collaborative effort on the seventh. All songs were recorded at The Blasting Room in Fort Collins, CO.
