

AQUA COOL PORTABLE EVAPORATIVE COOLERS

*Designed for cooling hot spots with
total portability and flexibility*

These units were purchased to cool a dry cleaning plant, but due to the installation of roof swamp coolers, these units were no longer needed. They have been barely used.

They have been wrapped in plastic and placed in storage for the past year.

Cabinet Grade 304 Stainless Steel

Model	A	B	C	D	CFM	SPEED	List Price	Today's Value*
DCP18	30"	36"	43"	4"	3500	2 Spd.	\$2,398	\$481.47
