

The logo for the Sun Journal features the words "Sun Journal" in a bold, black, serif font. The letter "J" is replaced by a stylized sun with a bright yellow center and numerous thin, orange rays radiating outwards. The text is set against a light blue background with a subtle gradient, and a darker blue horizontal bar is positioned at the bottom of the text area.

**Sun Journal**

**Designed the Present Sun Journal Logo**

**They are still using this logo to date in New Bern, North Carolina**
