

Home Based Business Opportunity- Pizza and Take-out FLYERS with ads.

This is the type of flyer we give away to Pizza Shops and Take-Out Restaurants.

In your area, how many shops do you have?

We give away, for FREE, 2500-5,000 flyers to the stores and then sell 2 to 6 ads to other businesses.

You can make between \$900 to \$1800 per flyer you give away.

We have over 30 years experience in printing and have sold advertising for decades. Our most popular product has been the Daily Specials Menu Boards. The restaurant gets it for free, and the advertisers are on it for a certain time period.

This is a NEW, and different type of program.

Our new flyers are designed to stay in the home for ONE YEAR.

This is a brand new program, we are looking for people who want to own an area to work in. There are over 75,000 pizza shops and over 700,000 take outs in US. You can secure your area at no cost to you, by simply demonstrating the ability to do it.

If you can walk into a pizza shop, show them the flyer, explain it, and offer up to 5,000 for free, and then locate two to six advertisers, you can make substantial money.

Contact me, Gordon Jay Alexander, at gjabiz@yahoo.com for details. When sending your email, put PIZZA in the subject header and I will get back to you ASAP.

Thanks,
