## ***SIGN-UP DEADLINES***

Please watch sign-up deadlines for activities. Many activities have had many more show up than sign up. We don't want to turn anyone away although this has caused presenters to be unprepared with lack of materials, which is unfair to those who have signed up when needed. By signing up for activities you will allow the presenters and instructors to prepare for each event. Events may be cancelled for low numbers signing up. Handouts may run out when we have large numbers show up who have not signed up. Thank you for understanding.

## ***ZUMBA***

We had such a good time learning Zumba from Zindri, so she will be back each Saturday morning at 8:00AM to lead us!! Please sign up on the bulletin board in the Administration Building so we can decide if there will be enough interest for two classes back to back. Space will be limited so it's important to let your interest be known by this Wednesday so we can plan the number of classes and the price. Drop-in classes will be \$5 maximum paid directly to Zindri. Final details will be determined Wednesday.
