Dear Apache Wells Homeowner,

As you may be aware, our committee has filed a lawsuit against AWHOA, Inc. in an effort to have the February 21, 2007 election ruled invalid based on questionable voting procedures, denial of the right to a secret ballot and the fact that they did not receive the majority vote of residential unit owners needed to collect the \$6020 special assessment and go forward with construction of the \$8,500,000 Community Center Project. The hearing on this lawsuit will be held this coming Monday August 13, 2007 at 11:30am in Maricopa County Superior Court. We have asked the court to give us a decision before the September 4, 2007 AWHOA, Inc. deadline for collecting the special assessment. Our attorneys and we anticipate a favorable decision from the judge.

We have also applied to the court for a preliminary injunction to stop the collection of the special assessment in the event that we do not have a decision by the September 4, 2007 AWHOA, Inc. deadline.

We strongly recommend that you **DO NOT SIGN ANYTHING** and **DO NOT PAY ANYTHING!**

We want to thank each and every one of you that has supported our efforts over the past year. As you can well imagine our legal fees are mounting and all donations large and small are needed to continue our efforts on your behalf. If you have any questions or concerns we ask that you contact one of our committee members listed above.

Thank you,

Save Apache Wells Committee, Members and Supporters
