

SURVEY OF SOLDIERS' OPINIONS ON SERVICE IN IRAQ

April 2006

Dear participant,

We would like to thank you very much for your participation in this survey, which we're doing as a research project at Berkshire Community College.

Since we both have family members in the military, we're interested in gathering several hundred soldiers' opinions about their service in Iraq. Please fill out the questionnaire only if you have served a tour of duty in Iraq.

Please note that all of your responses will be confidential, anonymous, and used for statistical purposes only. We ask that you put **no** identification on the questionnaire.

Please take the questionnaire home and answer it in privacy. When you have completed it, place it in the self-addressed, stamped envelope and mail it back immediately. Do not mail back the cover letter. Do not put a return address on the envelope.

If you would like to see results of the survey, please go to

after June 1, 2006.

Again, thank you.
