The Office

Pinto – National President WFMC FF

A happy birthday just about our little last: The Bullinfo born in January 2015 but which unfortunately does not still stand alone.

The wishes of a new year are the occasion of the best wishes, of hope and benevolence towards our relatives, often charged with "health, happiness", these two that I wish you from the bottom of my heart with all my affection, Health because our body is an immense wealth, which seems so solid but which sometimes holds so little, and happiness because life is so short that it makes it softer and pleasant when it knocks at our door and It invades our homes.

Let us turn to page 2016, this year which was once again the scene of tragedies that struck our beautiful country and other countries, victims of human stupidity in the name of I do not know what gods or ideologies, have a thought for All these people struck in flight of their lives.

Let us remain positive and optimistic, continue to convey this beautiful image of the club through Hexagon, 2017 will be the occasion of new reunion, runs and French Meeting, the opportunity to welcome new members as others have done For us, some "goodbye" will also be at the Appointment, this is the life of a club.

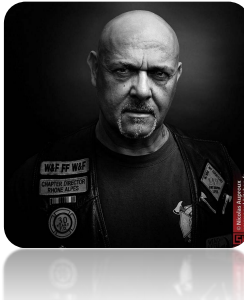

The office arrives in the final stretch of its mandate, everything passes so quickly, sometimes used but so exciting, the multiple satisfactions, stifling most of the disappointments, give us the strength and the will to struggle and fight to These colors, OUR colors.

This New Year is an opportunity for me to deeply thank my team, the one without whom I cannot fulfill my mission with this force for more than two years, an office with unfailing availability and responsiveness!

To all my brothers and sisters, very soon to find you for all those moments that forge a little more my love for this club.

Pinto

Gilles – National Vice-President WFMC FF

I extend my best wishes to all members of the WFMC.

Let us hope that this New Year end better than the previous one.

Last straight for us finally three years it passes quickly.....

Very soon to see us again under the sun for "new adventures"

Gilles

Francky – National Secretary WFMC FF

I wish you all my best wishes for this new year.

That 2017 brings you full of good things to you and your loved ones but especially health. Let it allow you to share beautiful moments with your family of blood and that of heart "the Wind & Fire". Think of preparing your mounts for those who have hibernated, the beautiful season is approaching and the reunion with the brothers too. See you soon on the roads and on our different events

Francky

Dom – National Treasurer WFMC FF

Dear Bros, I renew my wishes of happiness, health and prosperity for this year 2017, to you and all your loved ones. Cherished your loved ones as your own, there is so much hate right now in our daily lives, that it is even more important now to show those you love that you love them without restraint. Time passes too fast, to lose it.

I look forward to the reunion moments during the runs, to drink a good beer with you band of scoundrels. I embrace you all.

Dom

Laurent – National Sergeant at Arms WFMC FF

AFFILIATION

As the majority of their French brothers have done before, the members of Chapter North Aquitaine # 139 have expressed to us their desire to join, after the agreement of the office they have taken the steps and will receive their rockers during The next French Meeting of September in Provence.

RED RUNNER

Proposals were made on the forum to give a "Road Name" to our van WFMF, followed by a small poll that saw the victory of "Red Runner", definitely sealing its official name. Philou of the Chapter Bougnat # 158 was

offered a shirt embroidered in the colors of the club in reward for his victorious proposal!

Activities

The January edition is generally as poor in output as our plates are rich in calories, it is the season of emptying (of our machines of course), painting, transformations...

But you can also share your different gastronomic meetings, non-motorized outings or other information that may arouse interest for all of us.

OCCITANIE #136

**October 30 – Pia (66)
Extrem Commando**

On October 30, the # 136 was representative on an extreme commando in Pia in the Eastern Pyrenees. Superb idea of our "Hangaround" Nicolas with whom we took up the challenge.

Sun, good mood and mud baths were waiting for you. No podium for Occitania but medals for our supporters and aches the next day for all the brothers.

November 20

WFMC plate rebate

Calou, once unusual, had not been able to go to the last AG in Bearn country, weekend where it was planned to give him a plaque in thanks for the 6 years spent at the head of "France"

Go is promised to meet you at the next xtrem ...

Francky

Vincent had then received him on his behalf promising us to do so on the occasion of a chapter meeting in the presence of all his members.

It was with pride and happiness that I was able to participate in this symbolic offer among the members of # 141.

Calou accepted this present with joy and emotion. A good sauerkraut followed with good laughter.

PROVENCE #157

**Decembre 3- TELETHON
Saint Remy de Provence (13)**

Our women present are prepared to be ...

Fortunately, the chapter is sufficiently supplied in members to split and thus deploy its forces on two sites at a time.

... sent to the 7th heaven!

Supported by the Jeeps, it was a day put totally at the service of this beautiful cause.

**Decembre 10
Toy's Run GUNFIGHTERS MC
Marseille - (13)**

A short Run had been organized to Marseille to greet our friends of the Gunfighters MC, present to organize their 1st Toy's Run. We left them delighted to have harvested nearly 6 toy carts for the benefit of children hospitalized in the "La Timone" hospital. A very nice team!

Anonymous had begun to drop the gifts for weeks in our bar "support" at Céline the co-organizer of the event.

PROVENCE #157

**TOY'S RUN
Decembre 17- EYRAGUES (13)**

Appointment was taken again this year with all the bikers of the region to collect toys for the benefit of the pediatric service of the Hospital of Avignon.

Our local "Follower" receiving us as she knows so well do it.

Little glimpse at the passage of the evolution of the drawing started early in the morning by our volunteer Graffiti artists to whom we had bought the paintings,

"STRENGTH AND COURAGE"

Once the "Red Runner" loaded the convoy set out to go and lay a few smiles on the faces of these children away from home in these festive periods.

Smiling, friendship and dreams being the key words,

Distribution of gifts,

And here are the participants invested in a role of Santa Claus to reach the pediatric service,

Then return to the village of Santa Claus to perform some baptisms for children generous towards others,

Another fruitful day with more than 1000 gifts collected will be shared between the regional associations, African and a part for the hospital of Draguignan.

NORMANDY COAST #140

**December 18
Toy's Run
Cambrai - (59)**

Daniel "Hangaround" (who had to be present at the French meeting in Arete but had to go up in the North two days before following a death in his family)

took advantage of an action organized by a local club near his home to go on motorcycle on the Cambrai CH to offer toys to children in hospitals.

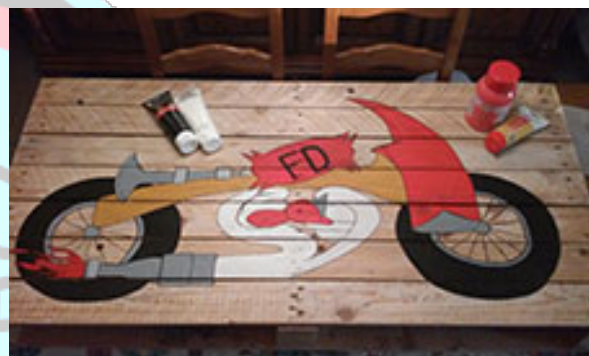

Congratulations to him and a thought to all those children who can not be in family at the time of Christmas.

A coffee table made on a palette patinated by sanding and then painted by a young artist (The daughter of a colleague of the Rescue Center).
