To Our Canadian Members

We are pleased to announce that as of March 2016, the International Metaphysical Ministry, in association with the University of Metaphysics and the University of Sedona, has appointed **Rev. Rita Marie Browning, B.Msc., as its Canadian Representative**. She will be assisting those Metaphysical Ministers in Ontario in achieving legal recognition as ordained ministers in Canada, plus she will be working to open up this legal status in other provinces in Canada. She will also be offering ministry courses through a new online site for those members who live outside of Ontario.

Rev. Rita Marie was ordained with the International Metaphysical Ministry in January 2006 and is the Founder of the Bancroft Spiritual Centre, which is currently registered with the Marriage Office of Ontario as a Metaphysical Centre to provide marriage rites/ceremonies. Rev. Rita Marie hopes to expand the Bancroft Centre's offerings into other provinces.
