Dear sir/madam,

Fireworks

I am writing to you to let you know I am very concerned about the use of fireworks. It seems to me, fireworks are very easy to obtain and are discharged at any time day or night.

Please do what you can to curb these nuisances. The loud fireworks impact on my right to enjoy my home. Many powerful fireworks are now causing damage and injury to people, animals and property.

The problem is how to enforce the law, when someone discharges a firework in the middle of the night. It must be made easier to identify the culprit and to bring him/her to account.

Yours faithfully
