

# Proud Rebel

Rebel comes from a long line of racing horses. His sire, Judys Lineage, was the APHA's 1992 Champion Running 3-year old and Champion Running 3-year old Colt with lifetime winnings of \$45K. Rebel's great grandsire Alydar, is the only Thoroughbred to come in second at each triple crown race (he came in second to the great Affirmed, 1978), with lifetime earnings close to \$1 million. His granddam, Judys Chick, had \$65K in winnings. On Rebel's dam's side he comes from quarter horses and more thoroughbreds, including Three Bars. Rebel himself has been started in Western and is being used on cattle and on the trail. His gaits are smooth and needless to say he's got speed! So if you are looking to put some speed and cow sense into your horses, then Rebel's the right stallion for your mares. (Rebel is a 6-yr old.)
