The European Rodeo Cowboy Association, E. R. C. A. started 30 years ago with only 167 Cowboy/Cowgirl-Members. It was the first „Western-Riding-Association in Europe.

In the meantime the ERCA is in existence for over 30 years, has over 500 members yearly and over 30.000 Cowboys and Cowgirls have passed through the E. R. C. A. in all these past years helping support the „Sport of Rodeo“ and showing „The Flag“ in Europe.

The E. R. C. A. is proud to help to keep the „Western Heritage“ alive on this side of the Atlantic and supports and encourages the „German/American friendship“.

The events are Bull-Riding, Bareback-Riding, Saddle-Bronc-Riding, Calf-Roping, Team Roping, Wild Horse Race, Rescue- and Barrel-Race and our competitors face a good competition.

Join us at our annual General Membership Meeting and get more information concerning the Association, the events, rulechanges and of course the Rodeo schedule for 2002!
