it's Christmas time and that means we are in for some major holiday music. In fact most of the adds that are to be found at radio these days with a few exceptions are coming from holiday titles. Jim Brickman's "Sending You A Little Christmas" (Windham Hill) has made a huge impact this season so far. "Christmas Time Without You" (SCS) by Michael Damian is also having a huge run. In fact the single just hit the Mediabase charts at major market radio as well and has become a real favorite at KOST/FM (Los Angeles, CA).

Native Mind is enjoying some real success with "Rockin' Santa Clause" (Rolling Cloud) and William Clark continues strong with his single, "It's Christmas Time Of Year Again" (Shakesongs). The last three titles mentioned are also to be found on our Future Hits #15 music sampler that is "on your desk now!" Kenny Loggins is getting a lot of play with his Christmas version of "With This Ring" and Brant Miller is really pulling some numbers with his holiday offering, "A Child's

Christmas Prayer" (Stardust). Let us not forget Brian B and Rodney with their "Hunting Time" (BB) that brings a little humor into this sometimes "over serious" time of year.

Comic Ray makes a nice chart entrance with this, "I'm Still In Love with U" (Gold) and newcomers MP2 have another strong follow up week for their latest entry, "Turn Another Page" (Abacab). James Guest also makes a strong move with the single, "Love You" (Neo Spirit).

Jamie Philips from KCVN-Mix 96 (Waterloo, IA) sent us a note this week. "The play list will be frozen next week as I will be enjoying vacation with my family. We are looking for a sidekick for the MIX 96 Morning Show to Join Jamie & Jim. Females are strongly encouraged to apply. This is a part-time position from 6-10 daily. Applicant may do weekend shifts from time to time. For more information call PD Jamie Philips at 319-277-1918 or email him at: mayberry10@hotmail.com Applicant should have a clue as to who Paris Hilton is. MIX 96 is e.o.e. but, did I say that females were strongly encouraged to apply?". I think you said that loud and clear Jamie.
