Subject: Fwd: Training Wednesday Aug 10

The following message contains the 5-5 letter groups used in tonight RACES/ARES drills so you can check your answers.

Also, everyone please be aware of our monthly training, Wednesday August 17, 2005, 7 PM, at the Douglas T. Jacobson Veteran's Nursing home, 21281 Grayton Terrace, Port Charlotte, 33954

You may park in the VA Clinic parking spaces after hours.

The topic will involve 'amateur radio volunteer interactions with public safety and government agencies.' We will probably discuss the upcoming county exercise as well.

Email if you have questions or need directions.
