A large, stylized blue oval logo with the word 'Schumacher' in white script is centered over the building, with 'Elevator Company' written below it. Two blue arrows point towards this central logo from the left and right. To the left of the building, three key attributes are listed: 'Dependability', 'Quality', and 'Versatility', each underlined. The website address 'www.schumacherelevator.com' is in the top left corner. A dark grey banner at the bottom contains the slogan 'When Quality Counts, Count on Schumacher Elevator' in white text.
