DETAILS:

The name means 'Ultimate Freedom' in Lithuanian. This is a great boat, super solid and well maintained. The roller furling makes her easy to sail singlehanded. Surveyed on purchase last year showed no significant flaws, no blisters on bottom paint, and the engine is strong.

DETAILS:

- Builder / Designer
 - Builder: C&C
 - Designer: C&C
- Dimensions
 - LOA: 29.5'
 - Displacement:
 - Ballast: 7,500
 - LWL: 23.7'
