Dear Homeowner:

As Managing Agent for the Crestridge Association, we are assigned the duty of enforcing the Association's governing documents and/or its established rules and regulations. In fulfilling this responsibility, we inspect your community on a weekly basis to ensure that each owner is complying with these standards. In addition to our property inspections, homeowners often contact us with reports of rules violations.

Please replace the aluminum foil in the upstairs window with proper window coverings.

Please correct the violation within ten (10) days from the date of this letter. Your prompt response to this request is appreciated.

Many times these issues are taken care of between the time that we drive through and the time that you receive this letter. If this is the case, please disregard this letter. Your cooperation helps keep your association an attractive and desirable neighborhood to live in. If you have any questions regarding this matter please can call (210) 494-0659.

Regards,  
Site Management
