

Descendants of Mary Jeanette Pelton

Generation 1

1. **MARY JEANETTE¹ PELTON** was born on 03 Oct 1916 in Citronelle, Mobile County, AL. She died on 16 Apr 1991 in Danbury, Burnett County, WI. She married Alfred August Carl Garbe Sr, son of Ernst Frederick Garbe and Ella Clara Hass on 10 Apr 1935 in Rockford, Winnebago County, IL. He was born on 27 Jul 1913 in Watertown, Codington County, SD. He died on 11 Apr 1987 in Danbury, Burnett County, WI.

Notes for Mary Jeanette Pelton:

Mary worked off and on as a waitress after they moved to Danbury, WI. Along with running the farm, working as a waitress, and going through the deaths of three sons and a daughter, she held up very well.

The first son, Ernest, was born premature and did not survive the first day, living only about 5 hours. The second son, William, died at four months of age. The third son, Al Jr, died two days after his 40th birthday from a major heart attack. The daughter, Ella Rae, was only 6 years 11 months old, and died from a brain tumor.

Mary worked very hard at running the farm, raising a family and going through hardships. She enjoyed crocheting, crafts, hunting, fishing, bowling, and gardening.

She knew that she had medical problems that she did not want her sons and daughters to know about. In the early part of 1990 she was admitted to a Minneapolis, MN hospital for heart problems. She confided in her close friends, Dick and Grace Jero, about her heart problems but not her own family. Prior to the operation to replace a valve in her heart, her sons and daughters showed up at the hospital to give their support and well wishes. She could not believe that all of her family, along with their spouses, were there for her. The operation was very successful and she made a very good recovery. Mary survived this operation just a short few months. She passed away while entering the Danbury post office building.

Notes for Alfred August Carl Garbe Sr:

Alfred had to quit school after his father passed away, to help run the farm that they lived on in the Town of Beloit, Rock County, WI.

He married Mary Jeanette Pelton while he was employed at the Beloit Iron Works (later became known as the Beloit Corporation) and lived in Beloit, WI.

Alfred was found to have a dark spot on his lungs and signs of emphysema in the late 1940s.

During this time, his mother passed away. Mary suggested that they move to northern Wisconsin to be with her parents in their waning years. In June 1950 they moved to Danbury, WI where they lived with her parents, Earle and Jesse Pelton, until they purchased land west of Mary's parents and built a home of their own. This house was built with the help of relatives and friends from the area. The house was built from rough sawn logs. Alfred included a barn on the property and set up farming. This proved to be difficult to raise his rather large family on just the income of the farm so he took a job in bridge construction in the Minneapolis/St. Paul, MN area. A friend and neighbor of Al's was a foreman for the a bridge construction company and helped Al get a job with them.

This job kept him away from home from early Monday morning until late afternoon on Friday. Mary and her older sons ran the farm and when Al returned home for the weekend, he would do the majority of the heavy farm chores.

He had several close calls to death while working on the bridge construction job, once falling several feet from the under side of one the bridges while holding onto a sheet of plywood, which broke his fall, receiving only minor injuries.

Generation 1 (con't)

Al took early retirement at the age of 62 so that he could enjoy several years of rest and relaxation before his death. Al enjoyed fishing and hunting with his family. He had a minor heart attack while doing a roofing job for a neighbor. Later he was found to have inoperative cancer in his lungs. He went to Superior, WI for chemotherapy treatments. On the day of his death, he was laying down reading a Louie Amour book, his favorite author, and had a major heart attack. Two of his sons were there at the time and attempted CPR but it was too late to save his life. During Al's life, he lost three of his sons and one of his daughters whom all died at various ages.

Al's grave is located farthest western area in the old section, in Block 5, Lot 1, Space 4.

Notes for Gerald LaVerne Garbe Sr:

Gerald, better known as Gary, graduated from Webster High School in Webster, WI in May of 1962. After graduation, he worked in Minneapolis, MN for Montgomery Works catalog store. In March of 1963, he was about to be laid off so he decided to join the army instead of waiting to be drafted. He enlisted for three years in the army, going first to Fort Leonard Wood, Missouri for basic training. From there he went to Aberdeen Proving Grounds, Maryland, near Baltimore, for advanced military training as a tank automotive mechanic. In late 1963, he was sent to Korea for a year where he worked for the supply room as a truckdriver. In late 1964 he returned to the the USA and was stationed in Fort Campbell, KY, assigned to the 151st Transportation Corps. He was later transferred to the 20th Transportation Corps.

During the last year of Gary's service time, the Vietnam war was building up. He was informed several times that the 151st Transportation Corps wanted him to return to their company. The company commander of the 20th Transportation Corps informed them that he was not going to return him just because they were going to war and would not sign the transfer papers. One Wednesday in March, as Gary was entering the mess hall, he saw the 1st Sergeant of the 151st Transportation Corps. He said, "Garbe, it is not to late to return to our company. We can get you

processed and ready to ship out with us immediately." Gary replied "I'm sorry, Sarge, but Friday you are going to Vietnam and Saturday I'm being discharged." The Sergeant replied that he could take care of that too at which Gary said "Thanks, but no thanks." Gary was honorably discharge as a Specialist 5th Class.

After his discharge, in March 1966, he returned to Wisconsin, stopping in Beloit, WI to visit with his family, Ruth and Frank Burkhammer, and his brother, Alfred, from Rockford, IL. His brother, Alfred (Fritz) suggested that he apply for a full time job at Sundstrand Corporation, where he was working, in Belvidere, IL. Gary did so and was hired on the spot. Gary met Cheryl Mattison on this first stop in Beloit and began a courtship that has lasted.

He began his career on April 4, 1966 at Sundstrand Corporation, machine tool division. In 1969, he transferred to the Sundstrand Aerospace division in Rockford, IL. Gary held several jobs there including machinist, supervisor, manufacturing engineer and other duties until the company down sized their office staff, returning him back as a machinist again. Gary retired from the company, now called Hamilton Sundstrand, division of United Technology Corporation, and the UAW, on November 1, 1999.

Gary enjoys bowling, fishing, wood working, and genealogy. He held many positions of office for different bowling leagues and the Beloit Men's Bowling Association. He was elected to the Greater Beloit Bowling Hall of Fame on October 31, 1995 and bowler of the year (189 and lower average bracket) for the 1996-1997 bowling season. He held various positions on the Beloit Men's Bowling Association board including the president. Gary accepted the position of Association Manager on August 1, 2005, the position that he now holds.
