

This is my official statement: Although myself and Mini-Me might be able to pull off some upsets, I really can't take the risk of him showing up to our games intoxicated. This was a main reason for going with Parkinson- I WANT TO WIN!!! And I really don't see it happening with a liquored up teammate. I know what you are all thinking...."What about Mickey Mantle, didn't he play drunk?... let me tell you my friends, Theo is no Mantle! Me and Parkinson have done this thing before and were successful, and I have no problems with the wee fellow, but it just didn't work out. And another thing I would like the new ranking to show a little bit of respect for the fabled Carney Lansford because he's back baby, FULL THROTTLE!!!!!!! In closing I would like to say I look forward to a strong season with Parky, and we will do anything for the cup.

Thank you,
