

Don't Let Go (Track 8 on "Live at the Mars Hotel - Volume Three")

Don't believe in destiny
Cause it's too clear in retrospect
Don't believe it fatally
Cause all I do is circumspect
Don't believe in first love
I don't believe in hindsight
I do believe that you're here
Do believe you'll stay all night
Once you've found a true love
Hold on tight and don't let go
Don't let go

I don't believe in dreaming
I don't believe in fantasies
I don't believe it first stars
Or wishes that just cannot be
I don't believe in most things
That I can't touch or feel or see
I do believe that you're here
I do believe you'll stay all night
And once you've found a true love
Hold on tight and don't let go
Don't let go
Don't let go
Don't let go

Don't believe it's easy
I do believe it's gonna work
I don't believe what some say
That I'm just still a lazy jerk
I don't believe in most things
But you have helped so I can see
Do believe that you're here
Do believe you'll stay my life
And once you've found a true love
Hold on tight and don't let go
Don't let go
Don't let go
Don't let go

Produced, recorded, and written by John Spreier. Bass guitar and lead vocals by John Spreier. Drums by Kenny Johnson. Electric guitar and harmony vocals by Fred Wilkes. Keyboards and harmony vocals by David Chandler.
