

The Blade, Toledo, OH – April 6, 1969

NASA Stamp

To honor the Mercury flight heroes on the 10th anniversary of their appointment, the Space City Cover Society, a Houston, Tex., based group of philatelic space devotees, will issue a special cachet cover, or envelope, on April 9 in Houston, home of the manned space control center.

The cover will have a special NASA local post stamp, and cancel will be in addition to the U.S. commemorative stamp and Houston cancel.

Information as to how to obtain the cover and sheet of local stamps may be obtained by sending a stamped, addressed, legal-size envelope to the Space City Cover Society, P O Box 5345, Houston, Tex. 77052.
