Dear Funmeister:

Here comes another surprise....

Enclosed you will find a Special Edition  
Pleasure Island "5 Year Anniversary" License  
Plate that is just for you, the Pleasure Island  
Cast Member.

I am sure there will be plenty of curious folks  
wondering where they might purchase one of  
the license plates after they see it on your car.  
Don't hesitate to inform them that it was a  
special gift for Pleasure Island Cast Members.

Enjoy!!
