### **Achievements**

- Designed and executed unique hand-painted mural for model unit of well known high-end condominiums
- Hand-painted window treatments, coordinated to furniture fabric, as alternative to draperies
- Restored damaged, antique wallpaper through fine art painting
- Produced three dimensional floral designs to accentuate unique window walls using multi-media
- Decorated multi-million dollar home with fresh floral designs throughout entire home for upscale invitational garden/home tour
- Created, produced and exhibited original thesis artwork

### **Professional Experience**

#### **Multi-Media Designer**

- Designed, managed and produced all graphic materials for international trade association
- Create and execute alternative decorating ideas for clients; murals, wallpaper restoration, florals
- Provide professional “first impression” company image through design and interpersonal skills
- Produce retail and custom designed florals using multi-media; fresh, dried & silk flowers
- Restored, matted, framed and shipped large wildlife photographs for high-end retail stores.
- Correct photograph imperfections and restore heirloom photographs
- Customize & design wedding florals

### **Education**

- BA; Fine Arts, Bates College, Lewiston, ME  
International/Independent Study - short term in Paris, France;  
daily research through multi-media drawing in major museums
- Extensive experience in professional graphic design and office software
- Member of the American Institute of Graphic Artists (AIGA)
- Floral design and business marketing seminars

### **Awards**

- Three American Society of Association Executives' *Association Trends* Publication Awards
- National Arborist Association's Chair's Award 2002-2003 for outstanding promotion of tree care
- Published award winning floral creations in the International Garden Club's annual calendar; selected from NY Coliseum displayed invitational designs
