### MULTIPLE-CHOICE ITEMS

- 1) Emphasizing reading, ... Method was strongly based on the way Latin and Greek were taught.
  - A. Direct
  - B. Audiolingual
  - C. Grammar-Translation
  - D. Community Language Learning
- 2) The stage of language development in which a single word functions as a complex idea or sentences is referred to as ... stage.
  - A. cooing
  - B. babbling
  - C. telegraphic
  - D. holophrastic
- 3) In contrast to atomistic psychology, in ... psychology the behavior is studied as an undivided whole.
  - A. Gestalt
  - B. bilingual
  - C. educational
  - D. behavioristic
- 4) The type of drill in which the answer is controlled by the student who provided his own information is termed ....
  - A. transformational
  - B. communicative
  - C. mechanical
  - D. meaningful
- 5) Which of the following is not an example for instrumental motivation?
  - A. Getting a good job
  - B. Passing an examination
  - C. Communicating with people
  - D. Reading a foreign newspaper
- 6) Which of the following statements belongs to the Structuralist Approach to language teaching?
  - A. Language learning provides good mental exercises.
  - B. Students should be conscious of the grammatical rules of the target language.
  - C. Language learners are intelligent and bring with them the experience of already learning a language. The teacher should give only help.
  - D. Language learning is a process of habit formation. The more often something is repeated, the stronger the habit and the greater the learning.

- 7) Which of the following is not a principle of Audiolingual Method?
- A. Language is speech.
  - B. Languages are similar.
  - C. A language is a set of habits.
  - D. Teach the language, not about the language.
- 8) The term to describe the effect of environment on instruction in Suggestopedia is ....
- A. authority
  - B. infantilization
  - C. double-planedness
  - D. pseudo-passiveness
- 9) The babbling stage ....
- A. prevents cooing and crying
  - B. merges into the cooing stage
  - C. is characterized by a variety of sound
  - D. may cause ill effects on later vocal development
- 10) All of the following are features of DM except that ...
- A. listening is a by-product
  - B. grammar should be taught inductively
  - C. native language should be used frequently
  - D. language should be taught in direct association with objects and states.
- 11) The role of English in countries where it is taught as objects in schools but not used as a medium of instruction in education nor as a language of communication within the country is called ....
- A. EFL
  - B. ESL
  - C. EAP
  - D. ESP
- 12) The term ... refers to the development of control over different functions in different parts of the brain.
- A. aphasia
  - B. bilingualism
  - C. lateralization
  - D. bioprogramming
- 13) In terms of psychology, Audiolingualism was strongly based on ... psychology.
- A. Gestalt
  - B. cognitive
  - C. counseling
  - D. behaviorism
- 14) "ASTP" is the acronym which refers to ....
- A. Army Method
  - B. Suggestopedia
  - C. Audiolingualism
  - D. Total Physical Response
- 15) Charts, rods and maps are essential devices to convey meaning in the ....
- A. Silent Way
  - B. Direct Method
  - C. Audiolingual Method
  - D. Grammar-Translation Method

- 16) The teacher is using a “transformation” drill when he asks the students to change ....
- A. an active sentences into passive
  - B. a dialogue into narrative form
  - C. the title of a reading passage
  - D. their roles in pair practice
- 17) In ... Language functions are emphasized over forms.
- A. Communicative Approach
  - B. Grammar-Translation
  - C. Reading Method
  - D. Audiolingualism
- 18) According to Contrastive Analysis language is ....
- A. a set of habits
  - B. primarily speech
  - C. an innate capacity
  - D. a rule-governed system
- 19) In Suggestopedia ....
- A. all errors are corrected immediately
  - B. the emphasis is on linguistic content
  - C. form is more important than meaning
  - D. student feel secure by sitting in arm chairs
- 20) In Audiolingual Method, learners’ errors should be ....
- A. avoided because they lead to bad habits
  - B. ignored because correction may have bad effect on the learners
  - C. attended to because they are valuable guides to the learners’ attitude
  - D. discourages because they are indicative of learners’ cognitive process
- 21) “Superlearning” was the idea developed by ....
- A. Total Physical Response
  - B. Audiolingualism
  - C. Suggestopedia
  - D. Direct Method
- 22) In the Silent Way “repetition” is viewed as ....
- A. a time-consuming activity
  - B. an aid for teaching vocabulary
  - C. a technique to enhance autonomy
  - D. a vehicle to improve concentration
- 23) Which of the following is not true about Suggestopedia? Language is facilitated ....
- A. if the learner discover what is to be learned
  - B. by accompanying physical objects
  - C. through mimicry-memorization
  - D. by problem solving
- 24) The process which determines the frequency of occurrence of language items is referred to as ....
- A. syllabus design
  - B. register analysis
  - C. discourse pathology
  - D. needs assessment syllabus design

25) A typical Silent Way class begins with the practice of ....

- A. words
- B. sounds
- C. phrases
- D. numbers

26) The drills useful when introducing new pattern which vary only slightly from previous ones are ....

- A. discrimination
- B. substitution
- C. expansion
- D. reduction

27) The following drill is a practice of ...Slot substitution.

T: I might not go to class today.

go shopping

do the laundry

finish the lesson

S: I might not go shopping today.

- A. Single
- B. Double
- C. Multiple
- D. Moving

28) The specification of the linguistic content in a course or method is called ....

- A. procedure
- B. technique
- C. approach
- D. syllabus

29) Which of the following is not a distinctive characteristic of a second language learner?

- A. He is limited in time.
- B. He is highly motivated.
- C. He has already acquired a world view.
- D. He has already acquired a language system.

30) Which of the following is a distinctive activity in the Silent Way?

- A. Problem-solving
- B. Interactive choral drilling
- C. Information transfer task
- D. Dialogue and pattern practice

31) The strong reaction against the Audiolingual Method was that ....

- A. Ear training alone elimination was useful for all types of students
- B. Grammatical explanation was boring and time-consuming
- C. Native language elimination was possible and desirable
- D. Too much repetition was monotonous and frustrating

32) The exploration of the depth and breath of the language's literature was one of the main objectives of ....

- A. Direct Method
- B. Audiolingual Method
- C. Total Physical Response
- D. Grammar-Translation Method

- 33) According to the Silent Way, the kind of vocabulary which provides a key to the comprehension of the spirit of the language is referred to as ....
- A. semi-luxury
  - B. functional
  - C. notional
  - D. luxury
- 34) The following example is a ... Drill.
- They must be honest. This is important → It is important that they be honest.
- A. Restatement
  - B. Contraction
  - C. Integration
  - D. Rejoinder
- 35) In Behaviorism ... increases the likelihood that the behavior will occur again and eventually become a habit.
- A. reinforcement
  - B. response
  - C. repetition
  - D. stimulus
- 36) Structural Approaches to language teaching were criticized on the grounds that they ....
- A. valued learners' errors
  - B. put more emphasis on meaning
  - C. disregarded the value of practice
  - D. disregarded human built-in capacity
- 37) At the level of ..., we are concerned with theoretical principles.
- A. Technique
  - B. Instruction
  - C. Approach
  - D. Design
- 38) A cognitive teacher tries to help his students to go from ....
- A. competence to performance
  - B. performance to competence
  - C. manipulation to communication
  - D. communication to manipulation
- 39) Which of the following is **not** an objective of Audiolingualism?
- A. Accurate pronunciation
  - B. Teaching classic literature
  - C. Recognition of speech symbols
  - D. Simultaneous development of skills
- 40) Which of the following is **not** a tenant of Grammar-Translation Method?
- A. Teaching cognates
  - B. Teaching classic literature
  - C. Training the brain muscles
  - D. Developing native-like performance
- 41) The human brain weighs ... and contains ... billion neurons in the cerebral cortex.
- A. 3, 90
  - B. 3, 10
  - C. 30, 90
  - D. 30, 10

- 42) Thought and language production are examples of the ... and ... levels of the operation of brain respectively.
- A. rational, primal
  - B. primal, emotional
  - C. procedural, neural
  - D. emotional, rational
- 43) Memory is ... and stores about ... trillion bits of information in a lifetime.
- A. linguistic, two
  - B. linear, thirteen
  - C. non-linear, ten
  - D. non-linguistic, one
- 44) The rear of the brain does **not** control ....
- A. incoming stimuli
  - B. personal behavior
  - C. conscious movements
  - D. subconscious functions
- 45) The involuntary movements of the body are controlled by the ....
- A. angular gyrus
  - B. olfactory area
  - C. medulla
  - D. pons
- 46) A bottom-up process is a ..., but not a ... process.
- A. serial, parallel
  - B. data-driven, serial
  - C. conceptually-driven, parallel
  - D. conceptually-driven, data-driven
- 47) Which of the following is not a phrase of attention?
- A. Arousal
  - B. Activation
  - C. Objection
  - D. Maintenance
- 48) Appropriate knowledge sequences function as ... in the process of learning.
- A. input
  - B. output
  - C. behavior
  - D. organizer
- 49) Discovery learning is ....
- A. meaningful
  - B. receptive
  - C. verbatim
  - D. arbitrary
- 50) Neologism is an example of ....
- A. Wernicke's aphasia
  - B. Broca's aphasia
  - C. Paraphasia
  - D. Dysphasia

**GOOD LUCK!**
