**The fee is \$50 for the festival.**

Electricity is available on a very limited basis. Please explain your need and be prepared to go without. The Festival is a 'GREEN' event and conservation is a priority.

Spaces are 12' X 12'. Set up is outdoors on a grassy area on a former industrial site – therefore, the ground is not accepting of staking. Be prepared to secure your site another way. The arts & craft area of the Festival will be located on the green space near BCAC (the historic train depot), on the corner of Main & Gladden Streets. Bring all your own display materials (chairs, tables, etc.), tarps, and canopies. Booths are the sole responsibility of the vendor. Cars will not be allowed to drive up directly to the booth space or park at the booth. There will be a loading/unloading area, but be prepared to transport your supplies a short distance by hand.

On a separate page, briefly describe your work. If you are an artist unfamiliar to BCAC, please include a photo. Mail application with fee (check payable to: BCAC) to the address above. Call 252.946.2504 for more information or if you have questions.
