The fee is \$50 for the festival.

Electricity is available on a very limited basis. Please explain your need and be prepared to go without. The Festival is a 'GREEN' event and conservation is a priority.

Spaces are 12' X 12'. Set up is outdoors on a grassy area. Vendors will be located along the promenade on Washington's waterfront and on the green space near the NC Estuarium. Staking is not allowed due to infrastructure, so be prepared to secure your site another way. Bring all your own display materials (chairs, tables, etc.), tarps, and canopies. Booths are the sole responsibility of the vendor. In some areas, cars will not be allowed to drive directly up to your booth space or park at your booth. There will be a loading/unloading area, but be prepared to transport your supplies a short distance by hand.

On a separate page, briefly describe what will be offered at your booth. Mail application with fee (check payable to: BCAC) to the address above. Call 252.946.2504 for more information or if you have questions.
