UP AND COMING

You're probably wondering... what kind of stuff will we be doing at meetings? Here's a few ideas... Care Packages for College Students of our congregation...the 10 minute Devotion...Girls Movie Night (spiritual lessons in unexpected places)...Prayer Walk...Retreat...

1. We will be accepting donations from the congregation, and donating some ourselves to put together care packages to remind our college students we care about them.
2. Did I mention Community Outreach? Perhaps with Nursing Home visits and Christmas Caroling to neighborhoods surrounding King of Kings.
3. We will take time not only to learn about Jesus but to Celebrate His Goodness and Faithfulness.
4. Another idea is a Homemade/Handmade fundraiser to defer the cost of the Women's Retreat, care packages, and community outreach.
5. We tossed around the idea of Praise exercise with Christine MacKay...looks like a New Year's Resolution to me!!!
6. The reality is the possibilities are endless and this is your Women's Ministry. **What would you like to do???**

SIGHT AND SOUND THEATER

In a spectacular staging of the biblical account of creation, Sight & Sound opens the all new original production, *In the Beginning*. Be there as the Garden of Eden appears before you - the waters, vegetation, and animals of the newly created world enveloping the Millennium Theatre! Experience God's pleasure at his most awesome creation, Adam and Eve, and the complete beauty of their unbroken relationship with God.

With special effects that surpass all you've

previously seen on Sight & Sound stages, *In the Beginning* promises an experience beyond your imagination. Enhanced by magnificent staging, stirring musical compositions, and captivating live and animatronic animals, the stage will spring to life with the phenomenal story of creation!
