COMPOSITION OF EVENTS

GENERAL: You may enter the events for which you have passed the required test, or one level higher (*i.e., skaters may 'skate up' one level*) based on tests passed as of July 7, 2007. Short and long programs are separate events. You may skate at only one level per event category (e.g., Juvenile Free Skate and Intermediate Short Program, but not Juvenile Free Skate and Intermediate Free Skate). The 6.0 system will be used for all events **except** Novice, Junior, and Senior Short Programs, and Juvenile, Intermediate, Novice, Junior, and Senior Free Skate events. IJS will be used for these events. U.S. Figure Skating program content rules in effect for the 2008 regional qualifying competitions shall apply.

FINAL ROUNDS: A final round competition will be held for free skating events for Juvenile and Intermediate levels. A maximum of 12 competitors will advance to the final round. Movement to the final round will be determined at the close of free skating competition. The Juvenile Girls Final Round is the Helen Oak Trophy event. The Intermediate Ladies Final Round is the Frank E. Heaney Trophy event.

NOVICE, JUNIOR, SENIOR: Competitors in the Novice, Junior, and Senior short programs and free skate events must **submit their planned elements via the Members Only Section of US Figure Skating website** prior to the competition and bring a written copy of the planned element sheet to the competition. There will be **no final rounds** for these levels.
