1. Whats wrond with Jews?!
The place is called "Machane' OFER"!!!
I find it interesting that mainly Jews misspell (& mispronounce) the work OFER! I know what I am talking about.
By "Goyim" this issue (relates OFER) does not exist (as it exist by Jews).

"Dome' Dodi LiTzvi, O LeOFER HaAyalim"
My beloved is like a gazelle or a young hart (Shir HaShirim 2:9)
See also, Shir HaShirim 2:17, & 8:14

This is the souce for this name!!!

*** Ofer = Young Hart, Fawn, Bambi ***

OFIR is a different name with different pronunciation. Its a name of a person, name of a place, and name of the gold brought from that place!

Check it out:

Bereshit 9:29

Melachim I 10:11

Yeshaayahu 13:12
