5. Eldorado

Note: Australia & Japan only release, taken from a CD-R copy of the original CD. All tracks were scheduled for the withdrawn "Times Square" album. Tracks 1 & 3 are not available elsewhere. Tracks 2, 4, and 5 are said to be the same takes, but slightly different mixes from the versions that appear on "Freedom." Neil himself once said about this disc, that if anyone really wants it, they can tape it from a friend.

6. War Song (1972)

Note: This is a never reissued 7" single by Neil Young, Graham Nash & The Stray Gators.

The version on this compilation is 'remastered' from the version as released on a Warner/Reprise 2LP sampler that was available by mail order in the '70s, and is therefore NOT the version featured on ABD2000, or the Westwood One Rarities.

7. Home On The Range (1980)

Note: From the rare promo only "Buffalo Stomp/Ode to Wild Bill" 12". This copy came from the "Hard To Find" Westwood One Rarities CD.

8. Pushed It Over The End (1982, recorded 1974)

Note: This is the recording on ABD, but significantly cleaned. Also known as "Citizen Kane Jr. Blues". CSNY recorded live at Chicago Stadium, Chicago, IL, August 27, 1974, and only issued as a one-sided bonus 12" single with an Italian Neil Young box set in September 1982.

Both tracks are from the original 7" vinyl single.
