

Message from the Commandant

September 2007

Marines,

Our first year as a Detachment is drawing to a close. The next couple of months are going to be very busy. We have Detachment Officer Elections, Toys for Tots, Marine Corps Ball, Thanksgiving, and The Newly Elected Officers Installation Dinner, neatly tucked in around the holidays. Now is the time to be more on top of our game than ever before. There has never been a time we needed the involvement of the membership like the next couple of months.

To all of those who were involved in the 5th Marine Division Reunion, great job! I was personally unable to be involved, but have heard from many people that it was a great success. I won't go into trying to remember each and every person who was involved, but I cannot let this event pass without congratulating George Cattelona on the outstanding job he did. Truly done the Marine Corps way!

One last item, we seem to have lost a bit of steam in the new membership department. Let's get back on that wagon, as the more members in the Detachment, the less of the load each of us has to try and shoulder. Ooh Rah! Semper Fi! See you at the meeting!

Semper Fi,

Jerry Dangler
