

HAPPY 21ST BIRTHDAY RACHEL

Congratulations on turning 21! I hope you and your sister Sarah have a fantastic and memorable night with all your family and friends.

I would really like to thank you for doing my website. When I was first told about it I didn't believe that anyone who didn't know me would go to so much effort to do a web page about me. I have had so many people tell me about it and tell me how fantastic it is, and I have to agree; you really have done a great job - **so Thank you!**

It's also such an honour to know I have a fan out there that has travelled as far as Perth just to watch me compete. It makes racing that little bit more meaningful, knowing there are people that enjoy watching me compete. Thanks Again!

I am just waiting on the birth of my second baby (due mid June) and after a short break plan to compete again sometime in 2007. Knowing that I have the support of people like you really helps to motivate me to get back into it.

All the best and have a great Birthday

Nicole Hackett

PS I hope you like the athlete T-shirt from the 2000 Olympics.
