Why Process with J.T.M.?

- **Variety**

*JTM offers a variety of products which are unmatched by anyone in the industry! Utilizing commodities: Beef, Beef Roasts, Boneless Picnics, *Turkeys, Chilled and Cheddar Cheese! See options available, by commodity, for SY 06-07 on the attached Processing Options forms.*

- **Flavor Profiles**

Proven to be highly acceptable to students, but if you have your own recipe, we can CUSTOM FORMULATE!

- **Nutritional Profile**

The grams of fat and saturated fat are lower! WHY? We DRAIN the Majority of the FAT in all beef and pork kettle cooked entrée/sauce items.

- **Convenience**

All kettle cooked items are packed in 5# boilable/steamable high-temp bags! No slacking out is needed...freezer to steamer to serving line! Excellent for satellite operations.

- **Delivery**

Don't accept massive amounts! JTM deliveries the QUANTITY you need...WHEN you need it! We are approved on USDA's Substitution Demonstration Pilot for Pork and Beef which helps us make this happen for you.

- **Experience**

In the past 11 years, JTM has become a leader in commodity processing . . . now serving close to 30 states, ranging from the very small to New York Public Schools. We are committed to serving as a resource - Not just a product peddler!
