As the Christmas Holiday fast approaches, our hearts and minds travel back in time to all the hopes and promises the world pinned on the birth of Jesus Christ.

And as the New Year approaches, we at Afro-Cuban Alliance

pray for a world at peace,  
pray for good health and prosperity for all  
God's people,  
but most of all,  
pray that the New Year will provide people of  
color all over the world with  
*true justice, equality, and freedom.*

Whomever you believe in or whatever faith you follow, we at ACA know that we are all equal members of this Human Race. So from our families to yours ...

**Have a  
Wonderful  
Holiday!**
