### Our Current Exhibition

The 4th exhibition at bridges Gallery was installed today and LOOKS FABULOUS!!!!

It is titled Requiem

**Tuesday 28<sup>th</sup> November – Saturday 3<sup>rd</sup> February 2007**

*Requiem is a prayer for the salvation of the souls of the departed and a general remembrance for things lost. Our Requiem is for our planet [Mother Earth] and all those who inhabit her – the people, plants and animals. Our remembrance is for water, a clean environment and those things lost to us.*
