

Queen Victoria 1d Inland Revenue Stamps known with Perfins.

The original list of '*G.B. Perfins found on the 1d Inland Revenue Stamps*' placed on the Society Website to accompany the article '*Most perfinned Stamp in the World?*', has now been updated to include the information recorded by *Jeff Turnbull* in his detailed study of 'Perfins found on Inland Revenue Stamps'. Jeff's contribution has almost doubled the number of Perfin dies known on these issues.

Additions have also been made since the original list was put up on the Society Website by *Rosemary Smith*, *Stephen Steere*, and *Steve Netten*.

Any additions to the previous list have been shown on a green background along with an asterisk in the left-most column. Latest totals for the 1d value are **150DD/165DDF**.
