Headroom	full standing	
Berths	4 x 6'2"	1.88 m
Designer	Edward Brewer	
Price	\$17 500	
	(hull, deck, ballast, motor installed)	

A fine cruising boat from the board of Edward Brewer. Unfortunately, this boat has had a chequered financial history, being originally built to very high standards by Command Yachts in London, Ont. Quality costs money and not enough people were willing to pay for a well-built yacht. This boat is now available in kit form from the above manufacturer.
