ES. Got your scribble of Oct 1<sup>st</sup>. Have you heard the hoop Andy Scott is in. They are asking for his resignation. Got overhead on a plane about the pepper spray UPEC they + now they want his blood in his car. Hey its part of jail. They snoop just because they have no lives of their own. So they drive these lives through ours. So did your Canadian citizenship get strangled out or what? Sure is taking them some time huh?

So when do we get to an IWS Holding Center.

So the Canadian consulate actually helping you get back to Canada or what? - will they provide paper papers?

It gets tough watch people come & go & you still in. I watched sex offenders & murderers come & go while I did 20 kalendas for pot. I guess Fraud is a biggie in Arizona huh? I guess the Youkees use Diesel things on their women too huh?

Viagra - who needs Viagra if you got a good woman? :

Did Rittenhouse come through for you or what?

I wish the world would boycott all US products - hell the world should isolate the Youkees. Let the eat dog shit - the whole world hates Americans - shit when Youkees go abroad they try to tell Europeans they are Canadian.

Youkees are like a disease on the planet - we'll be so much better off without them! Business try to Burnsmit

(2) got to speak to E. Fry woman + go to female joints,  
told to school + a church dinner. Or figure'?

Just Monica Lewinsky - she's a pedger not  
mother-fucker. I would love model her but the  
evidence is. Get your Corvado on back home  
& tell the Yanks to send you anole. Yanks are so  
full of themselves, of course they think they are the  
strongest nation on earth, but they really are bullies  
& childish punk-asses.
