PARENTAL CONSENT AND INFORMATION SHEET FOR YOUTH PARTICIPATION IN TROOP ACTIVITIES

The local and national tour permit applications ask if written consent has been received from the parents or guardians of all boys participating in the activity. Such consent indicates that parents have confidence in the general plans for the tour and in the leadership provided. It will not absolve the leaders from responsibility for negligence.

PARENT'S CONSENT

In consideration of the benefits to be derived, and in view of the fact that the Boys Scouts of America is an educational organization, membership in which is voluntary, and have full confidence that every precaution will be taken to ensure the safety and well-being of my son(s), ward(s), [or daughter(s), in the case of Explorer co-ed participant(s)] during this activity or trip, I hereby agree to his (their) participation and waive all claims against the leaders of the activity or trip and officers, agents, and representatives of the Boy Scouts of America.
