

## Frank "Doc" Dingwerth

### Patch Description

The "100 Years" celebrates the upcoming 100<sup>th</sup> Anniversary of the Boy Scouts of America . His friends call him "Doc" because of his profession outside of Scouting but he could easily be a "Doctor of Scouting" for all he's done in Scouting. The red arrow and "OA" letters represent Vigil honor and the OA Distinguished Service Award, the log and ax ("WB") represent his tenure as Woodbadge Course staffer, and the image of the Longhorn Steer reflect the Boy Scout Council he achieved Eagle Scout and served as Council President. As you will read on in his BIO, he is truly a "Legend of Scouting" for the generations of Scouts he has served.
