

Advertising Prices for WSBS Website

\$30 per year for a display-type advertisement* on the WSBS website.

\$10 per year for a classified** advertisement of 50 words or less, on the WSBS website.

*Display ads consist of pictures and text (see Judy and Jim's ad on the WSBS website for an example), or think of the large ads with photos you would see in a newspaper.

**A Classified ad would be words and numbers only, like ones you would see in a newspaper classified ad section.

To purchase an ad on the WSBS website, please contact the webmaster Diana Hefti at dianasbuttons@comcast.net for instructions on submitting ad copy and payment.

We look forward to featuring your ad on our website and in our bulletin!
