"The Commish" secured his second FFL championship after his teams' 98-86 victory over Sean Kenary's Las Vegas Predators in Fantasy Bowl XIII at ACME Fieldhouse in New York City. The No Fear victory also continued two of the most peculiar streaks in the FFL. No Fear's title is the sixth title won by the three seed. The third seed team in the playoffs is now six for seven in the FFL title game and 20-7 all time in the FFL playoffs. This was also the third rematch in the 13-year history of the Fantasy Bowl. In all three rematches, the team that lost the first Fantasy Bowl has gone on to win the rematch.
